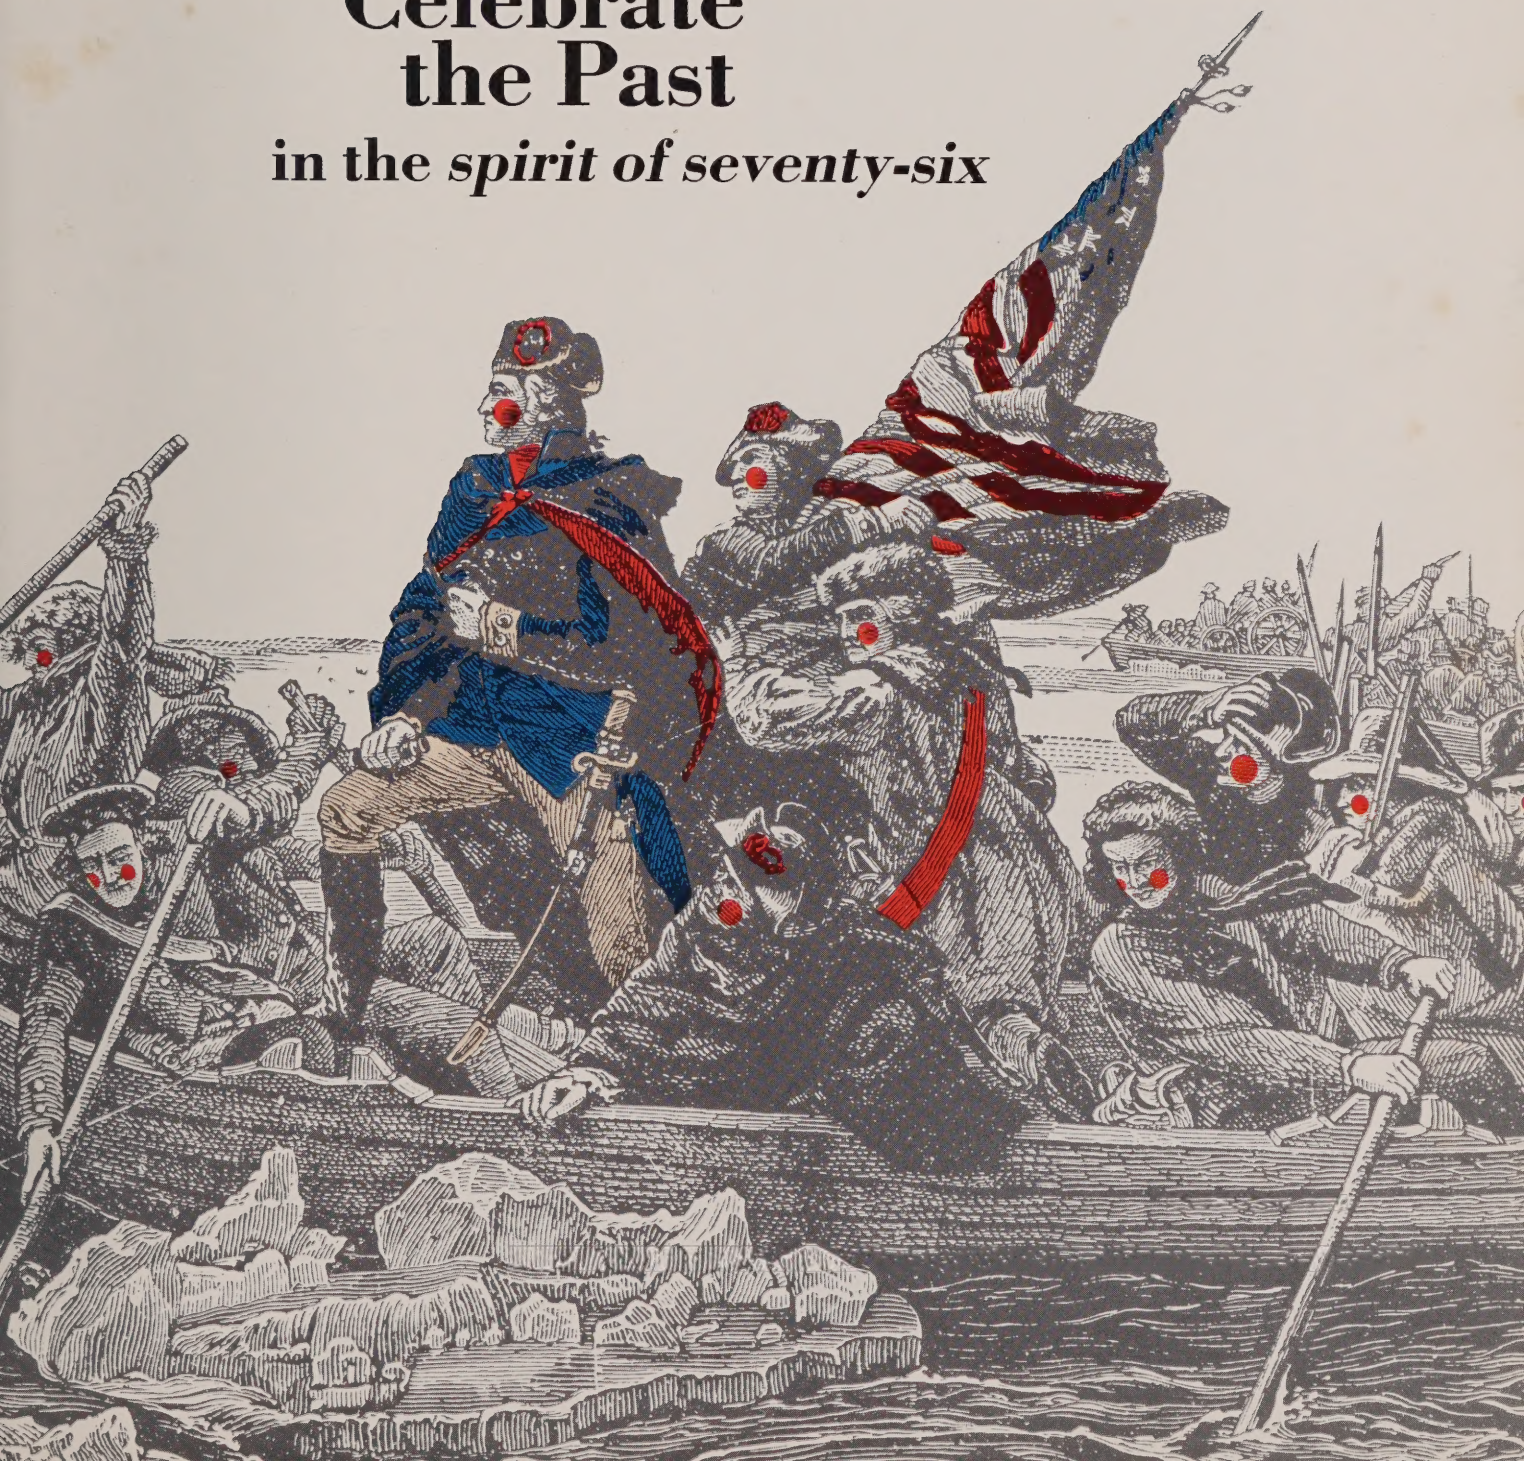
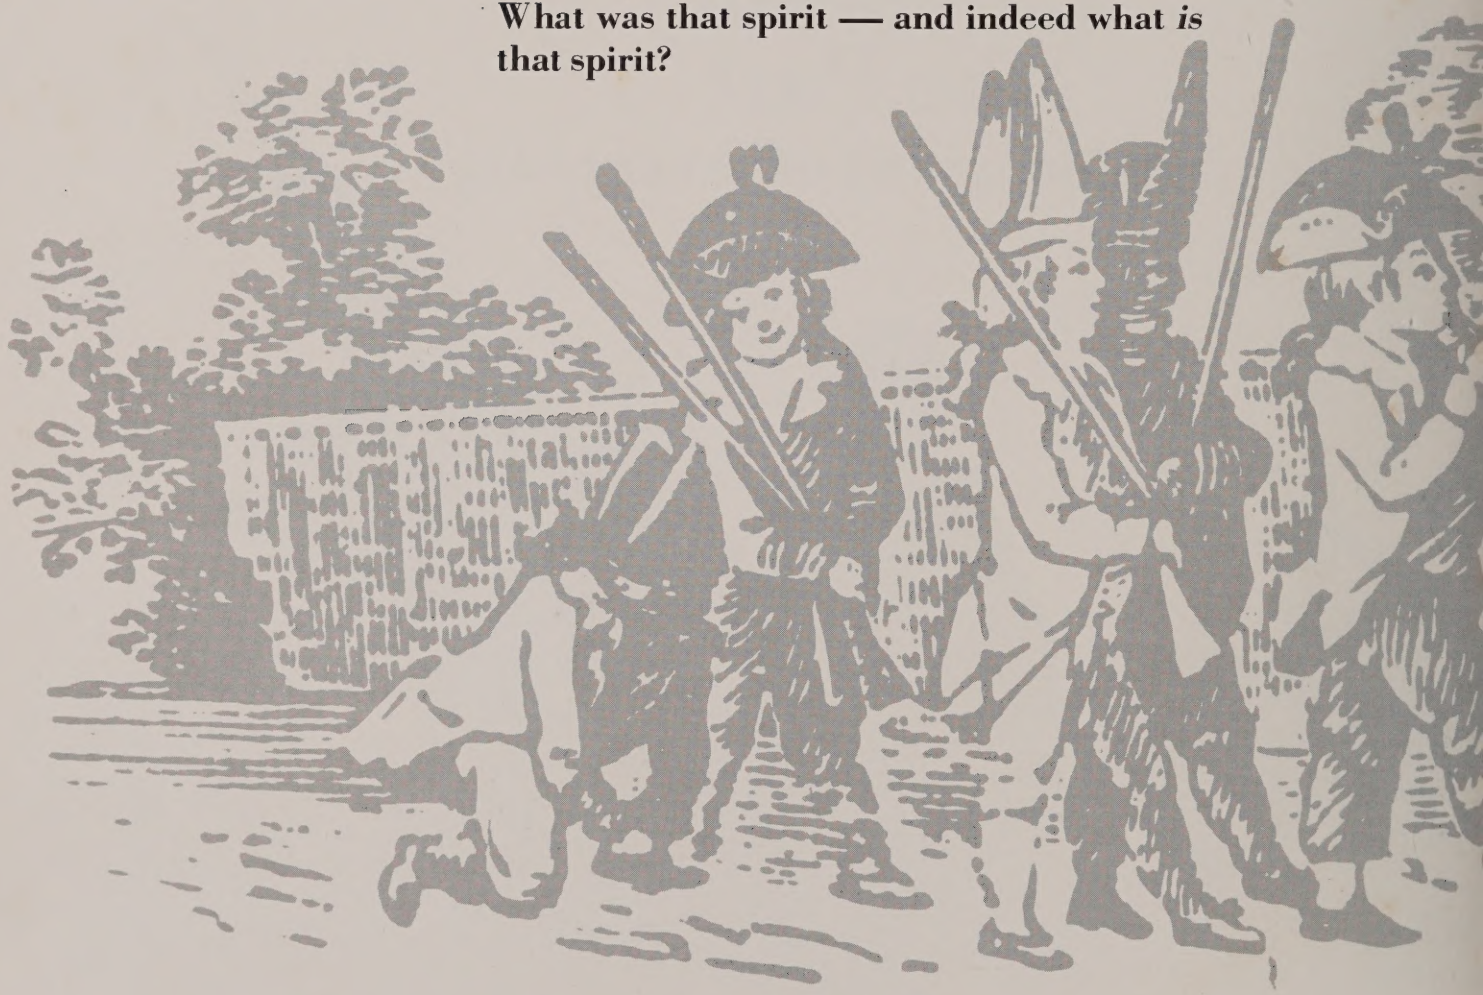
We Celebrate the Past

in the *spirit of seventy-six*

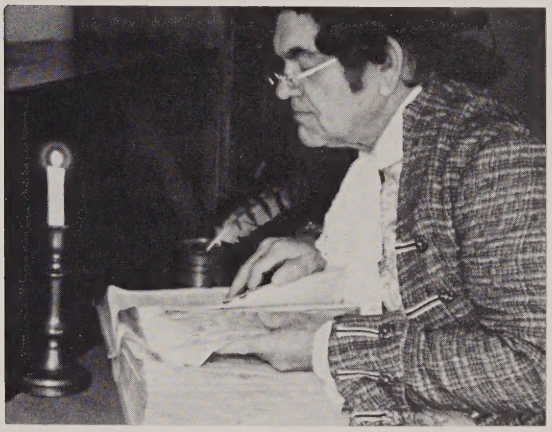


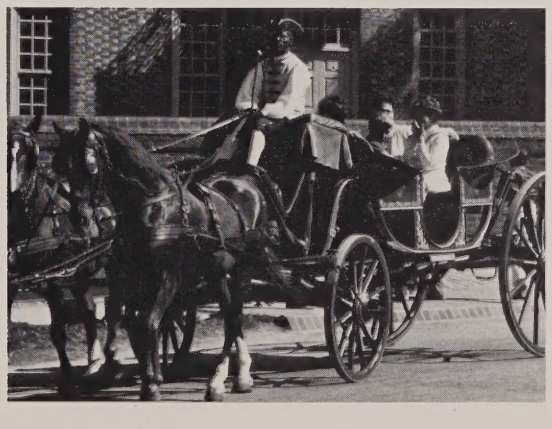
There was an enormous force which strengthened the colonies, which exists today, and which has carried America through its great history. That force is known to us all to be the *"Spirit of '76."*

What was that spirit — and indeed what *is* that spirit?

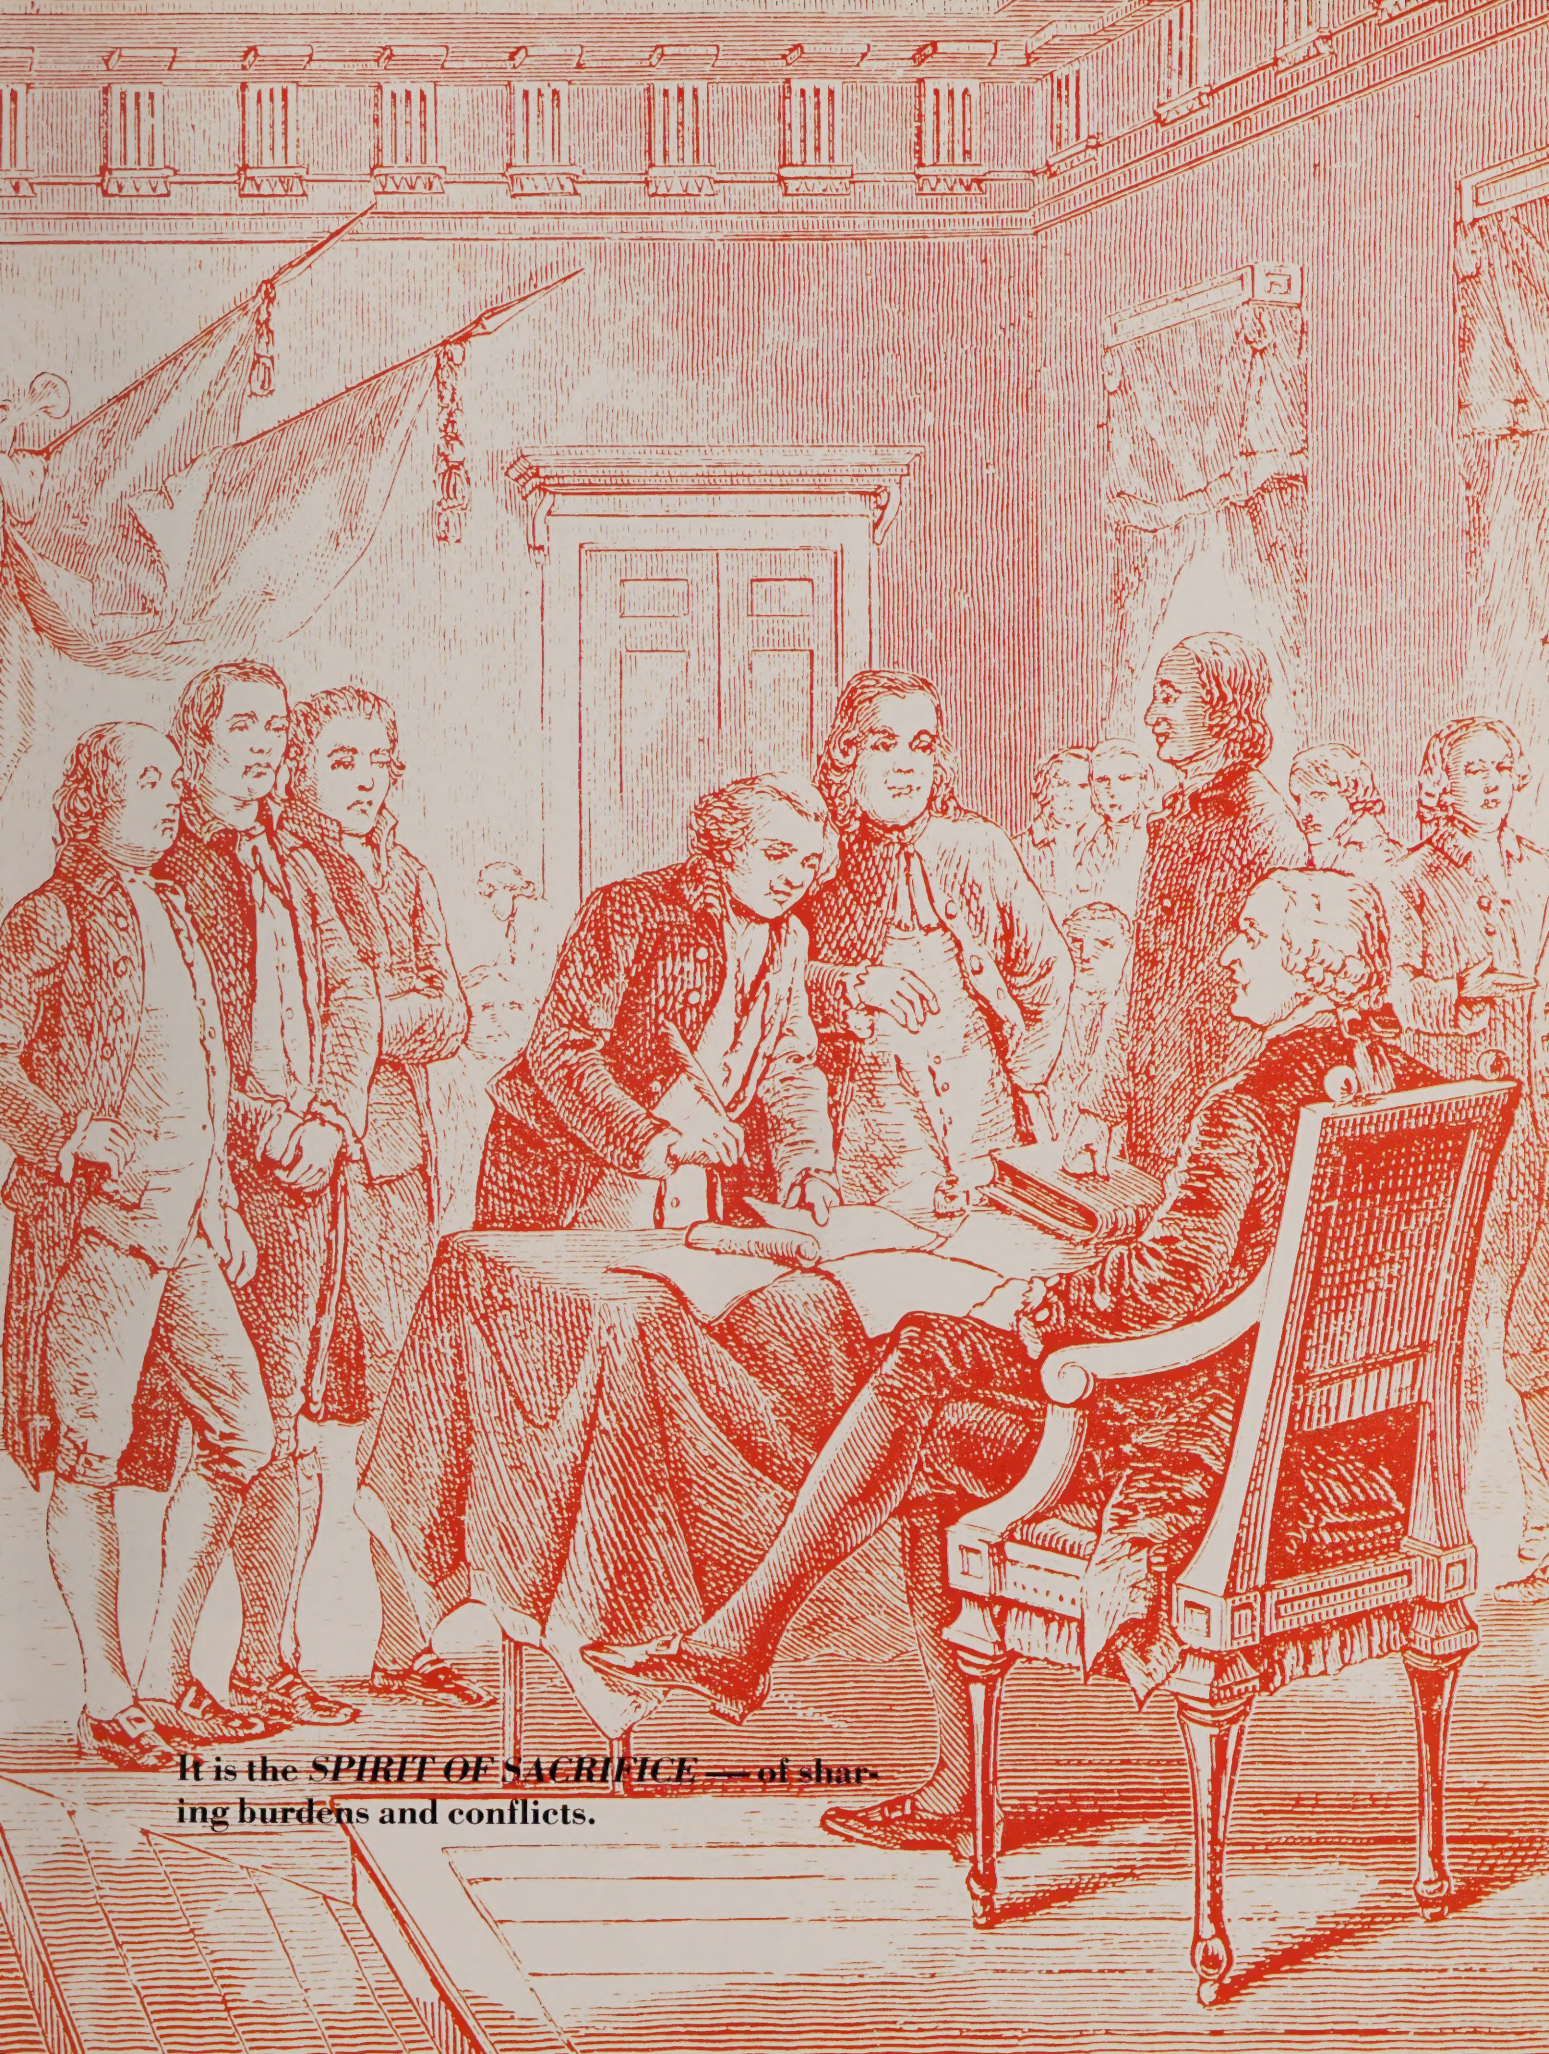


It is a *SPIRIT OF LIBERTY* and the knowledge that one man's freedom is more important than anything else on earth.

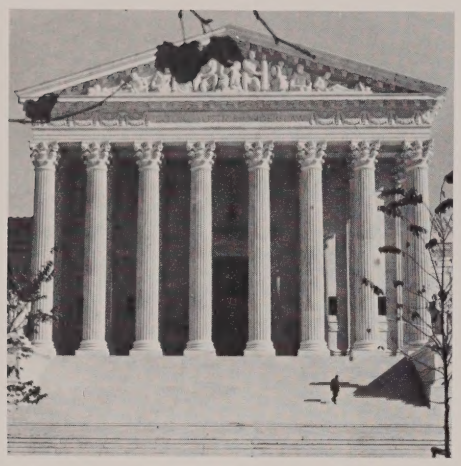




Independence Hall
The State House of
Pennsylvania
The Birthplace of
the UNITED STATES
of AMERICA



It is the *SPIRIT OF SACRIFICE* — of sharing burdens and conflicts.



It is the *SPIRIT OF OPTIMISM* of knowing that we can always make things better — of working only for the best, and expecting only the best.

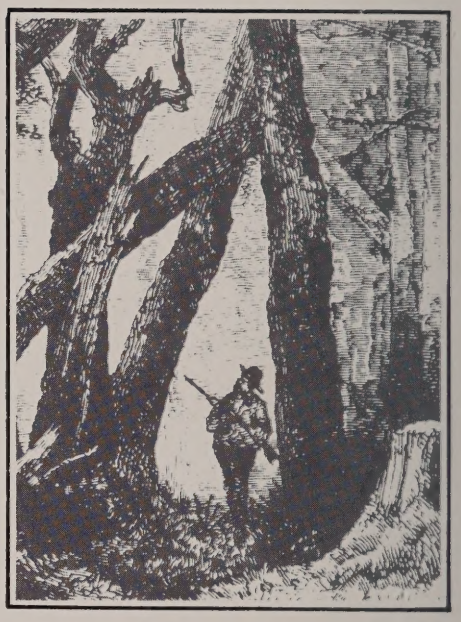
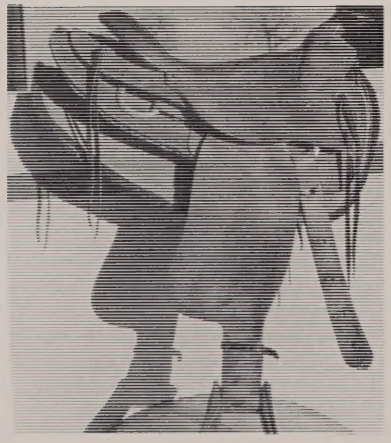
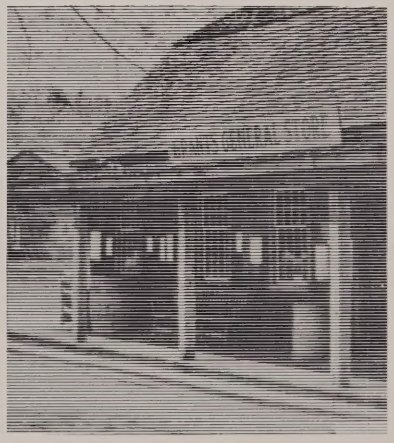
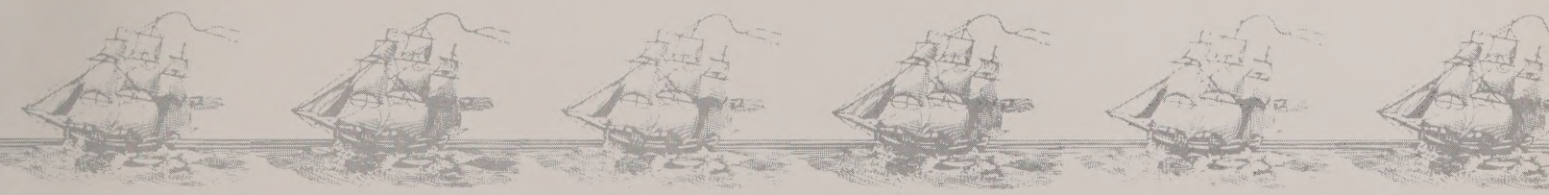
It is the *SPIRIT OF CONFIDENCE* — of not being constrained by earthly boundaries and of the certain knowledge that man can master his fate.









It is the *SPIRIT OF FRONTIER* — of not fearing to go where man has not reached.

It is the *SPIRIT OF DIVERSITY*
— of allowing every man
his own view and his distinctive ways
and of tolerating the differences
of the society.

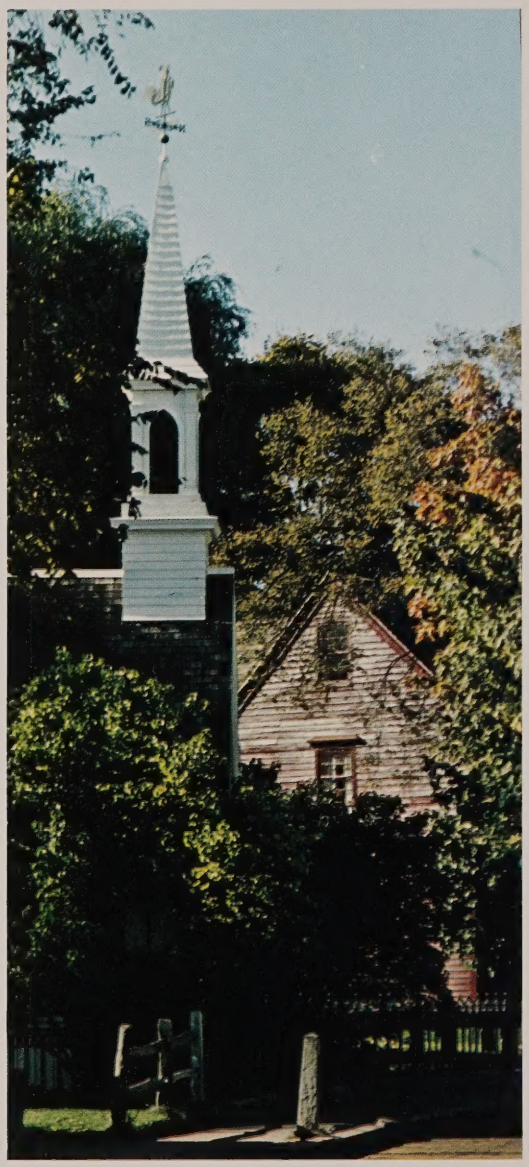
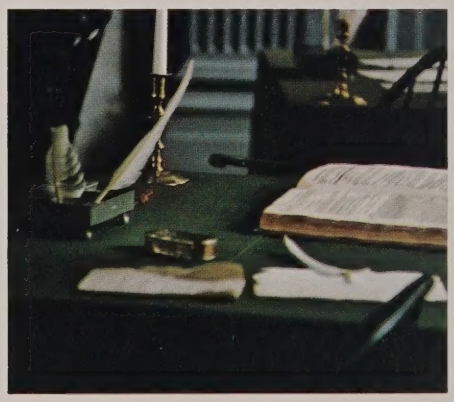
It is the *SPIRIT OF INDIVIDUALISM*
— acknowledging a birthright of opportunity
and freedom drawn from the strength
of our fathers.





Indeed the *"SPIRIT OF '76"* was, and is, many things,
each of which has been a building block
of our national greatness.
Our country grew on that spirit
and prospered on that spirit.
When all else fails
it is that spirit that will be there to guide us
and keep us strong.

As the elected representatives of the senior class, it is our privilege to welcome the readers to the 1976 Minutemen Memories. Since we are the only graduating bicentennial class, we wish to renew the spirit and rededicate ourselves to the spirit of 1776.

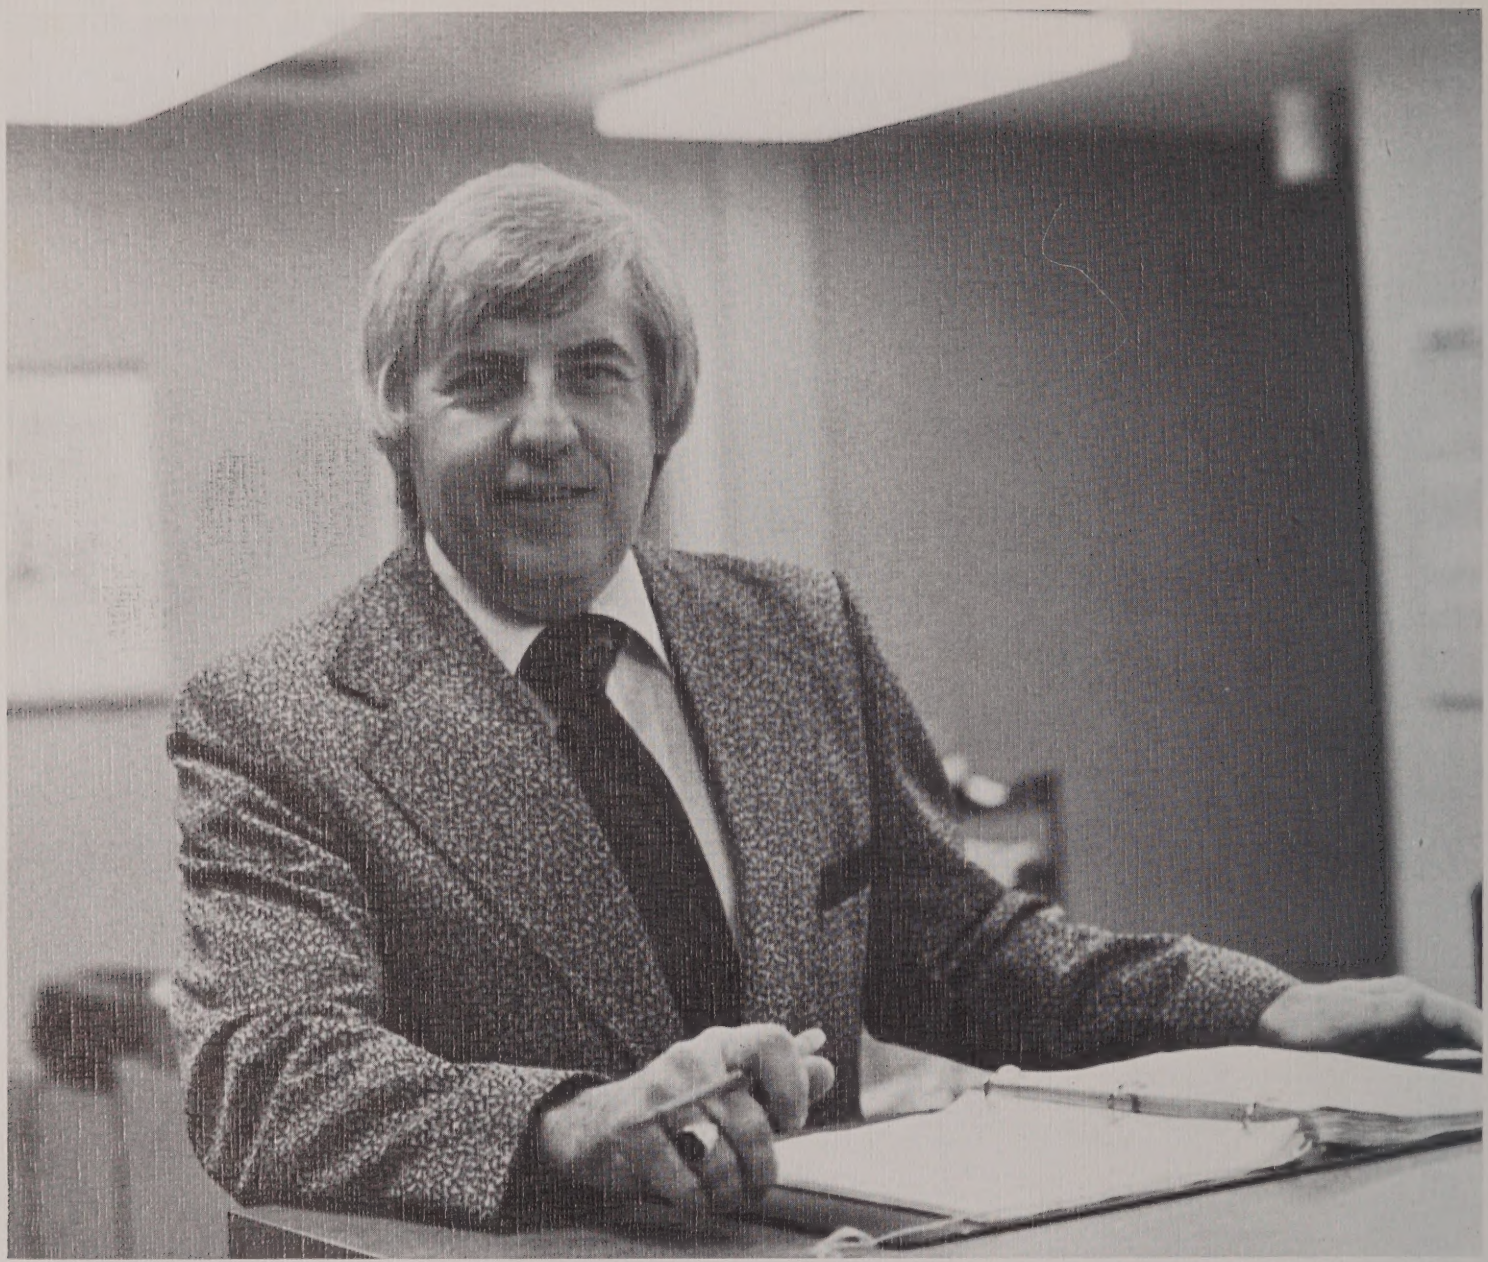
DEDICATION

It is a little known fact that America in 1760 was a nation of young people. Three-eighths of the signers of the Declaration of Independence of 1776 were in their twenties and thirties. Since we are Bay Path's only centennial class, and will retain that honor till the year 2076, we would like to stress that this celebration symbolizes achievement and growth, reminding us of the past that shapes our present, and gives hope for a productive future.

We often pay tribute to the brilliance of the generation that took part in the birth of this nation, but yet overlook its youthfulness. Therefore this 1976 Bay Path Minuteman is dedicated to the youthful leaders and Patriots of the past whose spirit and steadfast determination gave birth to this, our nation.



Congratulations to the "Class of 76."

You are unique - not only is the class an enthusiastic group of young men and women but you are the first class to graduate from Bay Path Vocational High School which has completed the full four years.

This is the class that will set the standards for graduates to follow. I know that the image and actions taken by the "Class of 76" will be positive and as our country enters its third century of independence make the "Class of 76" synonymous with the "Spirit of 76," and make the future of other graduating classes secure in the knowledge that you have established and will achieve the highest of standards.

I wish you a future free of strife and full of prosperity.

FIRST ANNUAL FIELD DAY

MAY 5-6, 1976

Captivated spectators, toilet paper ornamented trees, faces covered with blueberry pie, waterlogged bucket brigade participants, exhausted but determined obstacle runners, Easter parade outfits, light fingered egg coddlers, strong armed musclemen, muddy footed administration and faculty chants of "More water! More water! Pull Harder!" What's the end result? Bay Path's first annual field day.

Shop pitted against shop, students struggling for points, determination overcoming fear, school spirit and pride abounding, all to be culminated with the satisfaction of competition, the thrill of winning, the heartbreak of losing and the glory of having the winning trophy in the victorious shop for the year.

Easy to win? By no means. Plant Maintenance first day's successes, Data Processings color co-ordinated uniforms Cabinet and Drafting scurrying to finish signs, hastily erected basketball hoops, and the A-V club's talented organization of the public address system were part of the well planned events.

All ended at the awards assembly. The chairpersons of field day, Mrs. Yurek and Ms. Sullivan, were cheered as they presented the winners with blue ribbons, and the Number 1 Carpentry Shop rejoiced and celebrated a well deserved victory.

GRADUATION
JUNE 6, 1976

It's the Bicentennial Year . . . 1976 . . . in 1776, a group of individuals strove to establish, and fought to insure, various liberties for the people of our country.

These patriots, while working for a common purpose, were nevertheless powerful individuals, coming from all walks of life . . .

John Adams was a lawyer

John Hancock, a businessman

Paul Revere, a silversmith

Benjamin Franklin was a printer

Betsy Ross, a seamstress

George Washington, a farmer . . .

Those people were tradesmen. Two hundred years later, in our bicentennial year, we as products of a vocational school, can be proud that we, too, are tradesmen, striving to uphold their original high standards in our respective trades.

We, too, are individuals, striving to keep our own identities or, as we the youth of today phrase it, "Do your own thing."

We, too, have a battle to wage, in the limited job market of today. But because of our technical training, both vocational and academic, we, like the men and women of 200 years ago, are prepared to go forth and meet the challenge.

We, the graduating class of 1976, wish to express our gratitude to our parents, our teachers, and our friends, who have given us life, prepare us for it, and share it with us.

In the beginning we understood neither Universe nor the World, nor the people, nor ourselves. Blindly we reach.

We push forward individually to prepare for the time when the future becomes the past, the dream becomes a reality . . . A life imagined becomes a life lived.

Thank you.

Special thanks to: Mrs. Ann Mercier for proofreading, Julie Knurowski for typing and Ellen Conrad for art work.

I would like to extend my deepest appreciation to the members of the '76 Bay Path Yearbook Committee for their dedication and their many long hours that were sacrificed in the creation of this book.

Only those who have ever served on a Yearbook Committee realize that to publish a yearbook, countless hours are spent on senior sections, layouts, sports and advertisements.

The staff meeting three or four times a week and during vacations was not uncommon. Therefore, a special thanks to my two co-editors, Julianne Benoit and Debra Chaput. Thanks also to Barbara Harrison for her work on the Senior Activity Directory and to Sandy Garcia, our Business Manager.

I would like to extend my warmest and deepest appreciation to Mr. Arshag Karagosian, who through his dedication, always gave us the motivation we needed to complete our book to the highest standards possible.

Thanks also belongs to the Administration and our staff for their cooperation.

Again, my deepest appreciation to the '76 Bay Path Memoirs Yearbook Committee.

Good luck,

Robert Peck, Editor
